Re: FCC FRN # 0007-3539-72
certification of geographic rate averaging and rate integration

Dear Secretary:

In compliance with Section 64.1900(a) and (b) of the Commission's rules and the Second Order on Reconsideration and Erratum released on March 31, 1999 at CC Docket No. 96-~~91~~ (FCC 99-47), please accept this letter as certification that CEI Networks is a nondominant provider of interexchange telecommunications services, providing detariffed interstate, domestic, interexchange service in compliance with our geographic rate averaging and rate integration obligations pursuant to Section 254(g) of the Communications Act of 1934, as amended.

Enclosed please find a sworn affidavit as required by 47 CFR §64.1900(a) and (b). Kindly timestamp and return the extra enclosed copy in the stamped envelope provided. If there are any questions or concerns regarding this certification, please contact me as noted below.

Sincerely,

Stacy Wilson Rineer
